

Commercial Limited Warranty Information

WE STAND BY OUR PRO PRODUCTS AND OUR CUSTOMERS

When you make a major purchase, the manufacturer or seller makes an important promise to stand behind the product. It is called a warranty. Federal law requires that warranties be available for you to read before you buy even when you are shopping by catalog or on the Internet. Coverage varies, so you can compare the extent of warranty coverage just as you compare the style and other characteristics of products.

As the industry leader in quality commercial storage options for nearly half a century, it is doubtful that you will ever need to contact us. However, in the unlikely event that you do discover such a defect – or wish to contact us for any reason there are two easy ways for you to do so.

We're here if you need us.

- 1) Contact your ClosetMaid® PRO Installing Dealer
- 2) Call us toll-free: 1-800-221-0641 (U.S.A. and Canada)

Cleaning your ClosetMaid wire, melamine or laminate products, we recommend using a soft cloth and mild soap. Rinse thoroughly with warm water, and dry with a clean, soft cloth.

For our melamine or laminate products - To ensure a safe application, test your cleaning solution on a small area before you apply it to the entire surface.

AVOID AT ALL COST:

Never use cleaners containing abrasives materials to clean with. Don't use metal tools or sharp objects, like razor blades, putty knives, and abrasive pads. Avoid petroleum-based products, caustic cleaners/solvents and hydrochloric/phosphoric acid.
